## NO TRUE BILL AGAINST MRS. TURNER

Grand Jury, After Thorough Investigation, Reports no Bill.

After an investigation extending over nearly two days, the grand jury of the circuit court, now in session, failed to find a true bill against Mrs. Turner, wife of F. M. Turner, Jr., whom she shot and killed a number of weeks ago.

The case was taken up Monday morning and every portion of evidence available was listened to by the jury, but at its conclusion the jury found that the evidence was lacking to indict the young woman, so a return was made that no true bill could be found. The case has occupied considerable attention during the past five or six weeks, the young woman now being held under a bond of \$2,000 upon the charge of manslaughter, which was found by the coroner's jury. Later the father of Turner came to the city and discovered what he thought to be important evidence, and upon the strength of this asked that the grand jury investigate more fully than what had been done by the coroner's jury. The grand jury has now completed all of the murder cases brought to its attention, and as there is no further need of it remaining in session, it is probable it will adjourn at noon today when the final presentment will be made.

**Pirating Foley's Honey and Tar.** Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. These worthless imitations have similar sounding names. Beware of them. The genuine Foley's Honey and Tar is in a yellow package. Ask for it and refuse any substitute. It is the best remedy for coughs and colds. W. A. D'Alemberte, druggist and apothecary.
